

Win More Grants!

Foundation Directory Online quickly identifies your most likely funders and simplifies the process of securing funding from them.

With *Foundation Directory Online*, you can put Candid's extraordinary database and fundraising expertise to work for your organization, project, or client. FDO is the only place to find past giving information on the 90% of the U.S. foundations that don't have websites. It's the smartest, fastest way to win more funding.
